

Dr. Whitted is dedicated to safe, state-of-the-art, innovative surgeries and healthy lifestyles for women of all ages. In a nurturing environment, the physicians and staff strive to promote a partnership in your healthcare and make every effort to bridge the sterile science of diseases with your emotional, physical, and spiritual needs. Everyone is confronted with difficult health-care decisions at one time or another. You'll want your physician and staff to have the knowledge, experience, and sensitivity to guide you safely through the decision-making process.

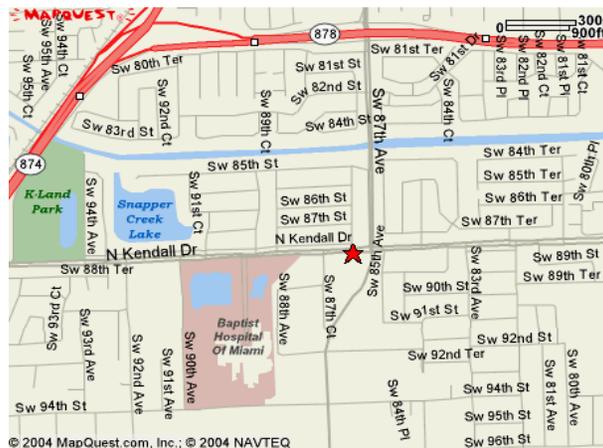

Dr. Whitted provides comprehensive gynecologic office and surgical healthcare. He is certified in laparoscopy and hysteroscopy and is an expert in advanced gynecologic surgery. He has been a national speaker, trainer, and researcher in advanced surgical techniques. In addition, Doctor Whitted is a Certified Menopause Clinician who educates, trains, and has done research in the science of menopause. Finally, he is certified in advanced colposcopy.

Doctor Whitted offers expert education and care in the following areas:

Abnormal Paps (HPV)	Loss of Urine
Abnormal Menstrual Cycles	Menopause
Bladder Prolapse	Ovarian cysts
Chronic Pelvic Pain	Osteoporosis
Endometriosis	Rectocele
Ectopic Pregnancy	Uterine Prolapse
Family Planning	Vaginal Prolapse
Fibroids (Leiomyoma)	Well-Woman visit

*****Evaluation and Diagnosis of Gynecologic Cancers**

If you need surgery, Dr. Whitted performs most gynecologic surgeries with minimally invasive techniques to reduce hospitalization, recovery, scarring, discomfort and absence from work in most cases.

Raymond Wayne Whitted MD, MPH

...dedicated to healthy lifestyles and safe, state-of-the-art surgery for women of all ages.

Insomnia

Insomnia involves more than just trouble sleeping. In fact, the true definition, according to a nationally recognized medical publication, has 2 parts

1. You must have at least one of the following Symptoms:

- Difficulty falling asleep
- Difficulty staying asleep
- Waking up too early in the morning
- Waking up feeling unrefreshed

And

2. Your sleeplessness has a negative impact on your daytime functioning, such as difficulty concentrating or irritability.
