Our care is administered by a **board-certified** gynecologist who is a member of many prestigious organizations. Doctor Whitted is a national speaker, trainer, and researcher in many areas of Gynecology. You'll have the most up-to-date diagnostic and treatment protocols available. If surgery is necessary he performs most surgeries through minimally invasive techniques. He is on staff at these fine Miami Facilities

Palmetto Hospital

Baptist Hospital

Jackson System

You'll Feel Comfortable

The most special thing about our care is that **We Care**. We've taken your suggestions to heart, and put them in practice. So, when you visit our office, you'll feel comfortable in spacious surroundings, decorated with you in mind.

All materials and instruments used in our exams and procedures are always at a comfortable temperature, and everything is set up and ready before you arrive. After your check up, ultrasound, or other office procedure, there's ample time to discuss your health with your personal physician. Say what's on your mind in a relaxed and healing atmosphere.

You'll Save Time

You'll find us at the 8740 N. Kendall Dr. Suite 101 at the cross-section of Kendall Dr. and Galloway. Minimize your time away from your home or office, and protect your privacy. We offer, for your time-saving convenience, many diagnostic tests and gynecologic procedures in our office. We've brought quality women's health care conveniently in one place....**Our Office**

Your appointment will be convenient. And on time

You'll like our office hours...designed for the contemporary woman who's active and on the go. You can arrange **same day, morning, afternoon, early evening and even lunch hour (12-2pm) appointments**. And, of course, we're on-call 24 hours a day for emergencies. When you arrive for an appointment, we'll be ready.

You're busy, **but we make health care convenient for you.**

You'll Have a Personal Confidant

We're experienced in handling all facets of contemporary women's health care and we're comfortable in discussing it with you. **No question is too intimate, no subject taboo**. Your health is too important to risk by avoiding sensitive issues. **Ask us anything, and get straight answers**. Naturally, all discussions and treatments are confidential-bound by the sacred patient-doctor relationship.

You can talk to us. Even about things you can't tell your closest friend.

It's a Great Feeling

Knowing that women's health care, designed with your interest in mind, is so close,...So **Convenient....And so considerate**. Call us at 305-596-3744 to set up a preferred appointment.
